Letter of Reference for **DIAMOND DISC DOGS**

Steve Diamond and his three amazing Disc Dogs put on an excellent performance for the children at our Centre (and a few neighbourhood on-lookers!) on June 14.

The children, aged 2-12 years, enjoyed watching all of the exciting aerobatics, frisbee catching, dancing and back flipping performed by these skilled animals!! The children also really liked being able to meet the dogs after the show, petting them to share their appreciation. They were even inspired to create their own “dog show” during gym time later that day!!

Great show, lots of “Wow” moments, and suitable for all age groups!!

Sincerely,

Sandy MacDonald  
Director
